### **Small Print section**

For the **mass launch** events the exact launch time of each event will be given later\*  
The E-36 Mass launch will be coordinated with the first round of F1S (which may be delayed if there is a long World Cup flyoff on Sunday AM )\*\*

**Golden Age:** Any post NOS design published, kitted or flown competitively between 1 Jan 1957 and 31 Dec 1969 scaled if needed to 1/2 A size, powered by either Holland Hornet 049-051 or Cox TD 049-051. Construction must replicate the original design, no carbon fiber to be used in construction. NOS flight rules. Gas powered only for this award.

**Vintage FAI :** 5 flights, no rounds, First flight before 9 A.M. will be timed to the ground, that time will be used as a tie breaker if a tie persists after two regular flyoff rounds. Flyoffs if needed will be scheduled for 1 P.M. Flyoff type. longer flights vs shorter engine runs will be determined by the consensus of the fliers involved and weather conditions at the time. Era specification and engine runs per NFFS rules ( there may be new rules for 2019-20).

Combined events will be separated for National Cup points. AMA gas events will be determined AMA vs Classic when registered for National Cup.

**Special Awards** for first place in **Rubber** powered events – 1 pound box of Super Sport Rubber donated by **FAI Model Supply** – Events Gollywock 3 x 3 , P-30, Nos Rubber.
